# CHILDREN WITH SPECIAL HEALTH CARE NEEDS

## Satellite Clinical Services

our future exists in the hopes of our children . . .

Utah Department of Health

## **Satellite Clinic Program**

Children with Special Health Care Needs (CSHCN) provides evaluation clinics for children with special health care needs in rural Utah. These clinics work in collaboration with the child's Medical Home / Primary Care Provider.

Specialty services are delivered through multidisciplinary teams, which travel to 7 sites across the state.

CSHCN Satellite clinics are conducted in the following cities:

- Moab
- Blanding/Montezuma Creek
- Ogden/Logan
- Price
- Richfield
- St. George
- Vernal
