Notes (Include information from Sticky Notes):

**BEFORE THE INSPECTION**

Review the photos from the Sex Offender Registry and remind the director that these individuals cannot have unsupervised access to children in care.

Explain the inspection process. Include in the explanation that:

- you will look in everything below 48 inches in rooms used for care when all children are school age
- you will look in everything below 36 inches in rooms used for care when any child is younger than school age
- you will look to be sure there are no "extra" children or illegal items in inaccessible areas
- you will assess outdoor play areas and out buildings
