Dear Outpatient Hospital Provider(s):

Utah Medicaid operations team has received several checks recently that appear to reimburse Utah Medicaid for what the provider determined an overpayment. If you have concerns about the payment on a claim please contact our Medicaid operations team at 1-800-662-9651.

For additional detail regarding how payments are made under Utah's Outpatient Prospective Payment System (OPPS) you can visit our website at <http://health.utah.gov/medicaid/stplan/outpatient.htm> or contact the Bureau of Coverage and Reimbursement Policy at 801-538-6149.

As an aside, the programming logic to consolidate line item lab claims into lab panel payments is incomplete. We had previously communicated that lab claims with service dates on or after 9/1/2011 would be re-processed to incorporate the lab panel logic once it is fully implemented (see <http://health.utah.gov/medicaid/stplan/Outpatient/CRP-813-11%20%20LabPanelPayments.pdf>).

Thank you,

John Curless, Director
Bureau of Coverage & Reimbursement Policy
