Community Safety Net Support

Discussion Outline

1. Introduction to Intermountain Healthcare
2. Resources for the Safety Net
3. Contact Information

A photograph showing an elderly woman with short white hair and glasses, wearing a white hospital gown, seated in a wheelchair. She is looking towards a healthcare professional, a Black woman with dark hair, who is wearing a purple and white striped shirt. The healthcare professional is leaning forward, appearing to be in conversation with the patient. The background is a bright, out-of-focus indoor setting, possibly a hospital room or a common area with large windows.

Intermountain Healthcare Mission

Excellence in the provision
of healthcare services to
communities in the
Intermountain region

An Integrated System

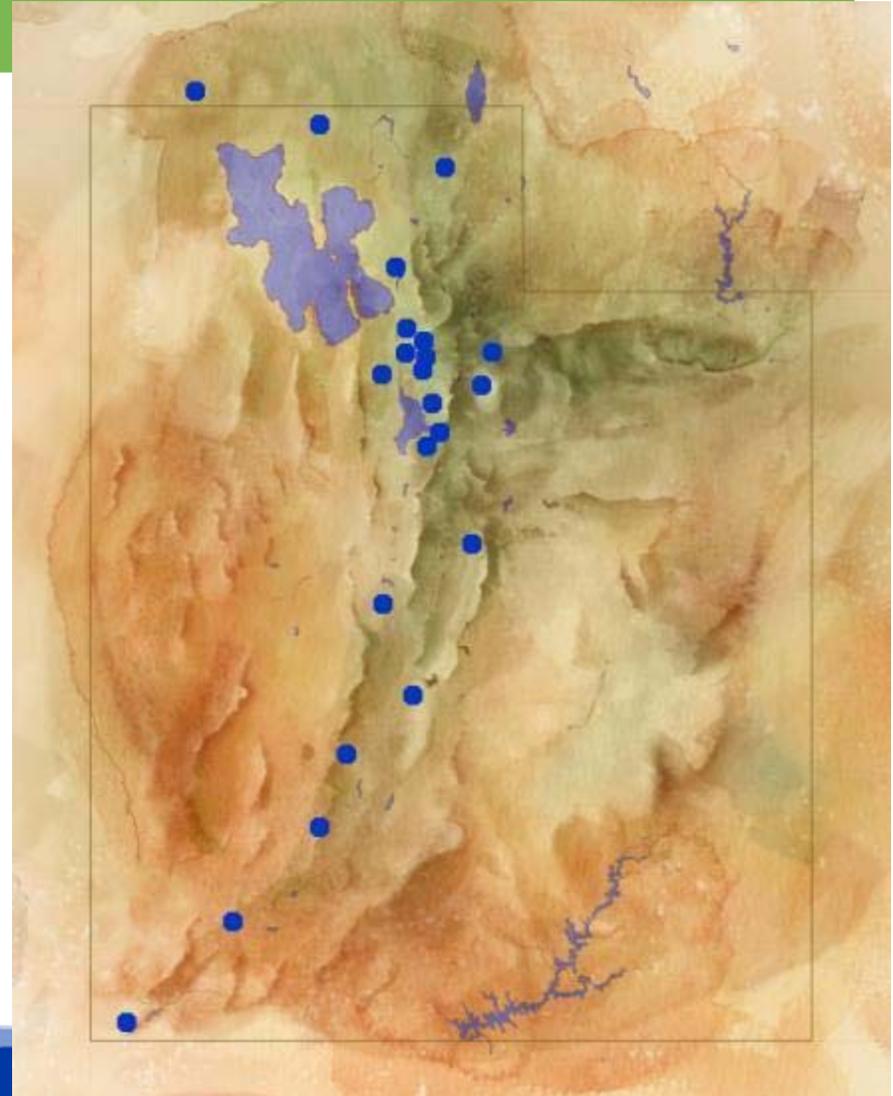

Intermountain[®]
Healthcare

Community Stewardship

We are committed to serving the diverse needs of the Intermountain region, and to providing generally available medical services to all residents, regardless of ability to pay.

Intermountain Healthcare Community Safety Net Support

- Operate community and school clinics
- Provide funding to 2 school based and 10 community clinics
- Financial assistance to Intermountain hospitals and clinics
- Grant funding through Intermountain Community Care Foundation
- Access to Intermountain surplus equipment
- Membership with Amerinet medical supply purchasing
- Diagnostic voucher program
- Patient and community education
- Education for healthcare providers
- Large not profit employer

Intermountain Community and School Clinics

- Primary care/urgent care clinics located in underserved communities and schools
- Mission to serve low income and uninsured people and those with access needs
- Work in partnership with other community agencies, cities, schools, health departments, community councils etc.

Community and School Clinics

- **Intermountain Neighborhood Clinic (SLC)**
- **Intermountain North Temple Clinic (SLC/Urgent Care)**
- **Intermountain Lincoln Elementary Health Center Primary Care (SLC)**
- **Intermountain Rose Park Elementary Health Center Primary Care (SLC)**
- **Intermountain Dixon Middle School Health Center Primary Care (Provo)**

Services Provided NHC, Rose Park Lincoln and Dixon Clinics

- General medical care for people of all ages
- Care for chronic conditions such as diabetes and asthma
- Physicals or general check-ups
- Immunizations
- Women's health
- Pediatrics

Services Provided at North Temple Clinic

Urgent same day care for people of all ages.

Seek urgent or same day care when you have an illness or injury that is not life-threatening, but needs medical attention such as conditions listed below:

- Sore throats
- Sprains/strains
- Headaches
- Upper or lower respiratory conditions
- Minor infections and rash

Financial Assistance

Purpose

Uninsured patients and patients who have difficulty paying for care may receive financial assistance on a sliding fee scale based on income, household size and other personal circumstances. Assistance may be provided up to 500% of the federal poverty level

Call the Financial Assistance Helpline:

Phone: (801) 442-1128

Toll free: 1-800-442-1128
